

## **João Martins de Carvalho**

João Martins de Carvalho has been a Member of the Executive Board of E-REDES since 2018 and a Non-Executive Member of the Board of EDP REDES ESPAÑA (E-REDES ESPAÑA, VIESGO, and BEGASA) since the same year. Previously, he served as a Non-Executive Member of the Board at EDP Inovação from 2018 to 2021. Between 2010 and 2018, he was responsible for the Planning, Control, and Business Development Department at EDP Distribuição.

Since 2020, he has been a member of the "Distribution and Market Facilitation Committee" of Eurelectric. He began his professional career at McKinsey & Company in 2000, where he remained until 2010, leading several projects in the Energy, Banking, Transport, and Media sectors in Europe and Africa.

João Martins de Carvalho holds a degree in Management and Industrial Engineering from the Faculty of Engineering of the University of Porto (2000), where he was awarded the Eng. António de Almeida Foundation Prize, and an MBA from Harvard Business School at Harvard University (2005).
